

## BCI CHURCH PARTNERSHIPS

### INTRODUCTION:

Broken Chains International strongly holds the view that Jesus came to preach the gospel and also to heal broken hearts, open the eyes of the blind, set captives free, and open prison doors of those in bondage (Lk 4:18ff). There is one body and one Spirit.... one Lord, one faith, one baptism; one God and Father of all...(Eph 4:4-6); The body is a unit, though it is made up of many parts and though its parts are many, they form one body. So it is with Christ. (1 Cor. 12:12).

It is to this end that we partner with pastors and churches to strengthen the body for works of service. Our goal is to function in a complimentary capacity to the work of pastors and lay leaders in order to play a vital role in the ministry of the church.

### WAYS TO BECOME A CHURCH PARTNER:

We currently have 34 church partners in the Cobb/Paulding/Cherokee area, as well as a couple church partners across the country. There are various levels of church partnerships as listed below, ranging from referrals, to financial support, and monthly donations.

#### 1. REFERRAL

The first level of partnership is referrals. At this level, you can provide your church members with a referral for a Christian counseling practice that can serve their kids, spouse, marriage, and everyone in the family. We will include your logo on our website and share that you are a partner church of ours.

#### 2. REFERRAL + FINANCIAL SUPPORT FOR CHURCH MEMBERS AS NEEDED

This level includes the referral level, but also allows us to reach out to the church for client support. Clients who complete our scholarship application and who have financial needs, can indicate their church on this form. At this level, you allow us to communicate with your team and let you know when financial needs arise for your church members. We include you on our BCI app, refer clients to your church, and will place promotional cards or invites to events in our waiting area.

#### 3. REFERRAL + FINANCIAL SUPPORT FOR CHURCH MEMBERS + MONTHLY DONATION TOWARDS CHURCH MEMBERS' COUNSELING

At this level, the top two levels are included, as well as a monthly donation to BCI. This monthly donation will go towards helping lower the cost of all church members who receive counseling here. At this level, we provide additional benefits and services that may be discussed further.

## **BENEFITS OF BEING A BCI PARTNER:**

### **Referrals and Church Promotion:**

We have many clients constantly looking for new church homes, and places to begin serving. By becoming a church partner, we promote your church on our website, provide a section for clients to learn more about your church through our BCI app, and share information about your upcoming events and services.

### **25% Off Counseling and Coaching Services for Church's Pastoral Staff**

For our church partners that offer any financial aid or support for their church members, we will provide counseling and coaching to the church's pastoral staff for 25% less than the traditional cost.

### **Leadership Training**

We offer staff development packages to help churches enhance their ministry effectiveness. This program takes place by working with either the pastoral staff or the lay leaders or boards. The program consists of individual coaching for each of your pastors / leaders and group sessions where particular attention is given to

### **Clinical Supervision/ Ministry Debriefing**

We offer training and supervision opportunities for pastors who perform counseling as part of their ongoing ministry. This is done by meeting one-on-one with one of our staff members to discuss biblical counseling principles as they relate to actual cases that you are dealing with. We also have staff that specialize in ministry and mission debriefing, have intensive options for missionaries, and provide spiritual direction support.

### **Seminars & Biblical Counseling Workshops**

We offer biblical counseling workshops to train your staff or laypeople with a biblical counseling model for providing care. We also offer seminars on various issues related to emotional and spiritual health. Broken Chains International has staff members with diversified areas of expertise who are able to conduct a seminar on a topic of value to your church.

### **Speaking Engagements**

Broken Chains also provides leadership training or in-service teaching on various issues related to leadership and ministering to the needs of people. This service typically takes place in a 1-2 hour time period at a staff meeting or church leadership meeting with lay leaders in your congregation. We also can provide speakers for your church services that complement the season that your church is in or the needs that your body has.
